

SUSSEX NATURE PARK | 134 AC (total)

Site Summary

Located at the entrance to Sussex Green Enterprise Park, Sussex Nature Park sets the tone for this unique business center integrating environmental sustainability with low-impact industrial uses. By designing and utilizing this preserved space for passive recreation, walking trails, and nature watching, Sussex County seeks to create a beautiful public space that also acts as a desirable buffer to the industries beyond. Sussex Nature Park will also be an attractive and peaceful amenity for employees working in the adjacent Enterprise Park.
